Product highlights

Unique "soft touch" feel

15-minute recording time

SIM-card copying facility
With the SIM-card copying facility, you can transfer your whole mobile-phonebook on to your home telephone in a matter of seconds.

Exclusively crafted design

White backlit inverse display

XHD sound
Enjoy high quality conversation, with a level of clarity rarely heard before. Thanks to a high-quality speaker, sophisticated technology and to a real acoustic chamber, the audio spectrum reaches far beyond what's normally heard on a telephone.

Enhanced speakerphone
Combine a high quality speaker, sophisticated signal processing, a real acoustic chamber and full duplex handsfree and you will get the most natural reproduction of a conversation Both sides can speak and be heard at the same time, like in a face-to-face conversation.
